

Fly Iowa 2014 FAA Safety Seminar and IAPG Free Airshow

Thomas "Mach" Schnell, Ph. D, Associate Professor and Director of the Operator Performance Laboratory of the University of Iowa will present his work being done on Spatial Disorientation in aviation. Time permitting we will review some accidents from Iowa. Topic subject to change but the value of the event remains the same high level. Stay for the airshow! Fly-in information: The field will be closed Friday June 27 1600-1800 and 1200-1400 Saturday June 28. Airshow practice and the airshow will take place during those times.

Directions: The FAASafetyTeam safety meeting will be held in the upstairs conference room at the terminal building.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
